

# Directions to the Workshop

## Location of the Workshop

The workshop is held at the Hong Kong Polytechnic University (PolyU, 香港理工大學), which is located between Hung Hom (紅磡) and Tsim Sha Tsui (尖沙嘴) in Kowloon (九龍) on a 9.34-hectare site adjacent to the Cross Harbor Tunnel.

The workshop will be held in W203, which is a room on the 'P' floor (i.e. podium) in the left wing of the W building (i.e. Industrial Centre), facing the Jockey Club Auditorium and adjacent to the building between Core T and Core U. W203 is not too far from Department of Chinese and Bilingual Studies and Department of English in the building between Cores Q and T.

### *How to get to PolyU?*

#### **By the KCR (Kowloon-Canton Railway 九廣鐵路)**

The KCR is a commuter railway that runs from Kowloon to the mainland China boundary. Get off at the Hung Hom Station (紅磡站), which is the terminus of the KCR East Rail in the Kowloon side. You may see the university logo  on the signs in the station. Follow this symbol and other instructions to get to the bridge connecting between the station and the campus. (The closest exit in the station is Exit A.)

#### **By the MTR (Mass Transit Railway 地下鐵路)**

The MTR runs along Hong Kong Island's northern coastline and travels beneath the harbor where branches serve Kowloon and Lantau Island (大嶼山). Change at the Kowloon Tong Station (九龍塘站) for the KCR trains to Hung Hom.

#### **By taxi**

You can get off at the vehicle entrance near to the Fountain Square, which is in the southern part of the campus (near Cores A, B, and C).

#### **By car**

If you drive to the campus and need free parking, contact [Sze-Wing Tang](#) for parking coupons. Overnight parking is not allowed.
